- 1) Pre-Budget Hearing:** Members of the public are given an opportunity to speak about budgetary issues that are of concern to them. You can provide written and verbal testimony that will be forwarded to the BCPS Board and appropriate school system official(s).
- 2) Roundtable Discussion:** In addition to budgetary concerns, we also want to discuss any other issues or concerns you have. We would also like your input on future meeting topics and guest speakers you would be interested in hearing from.
